Ambient temperature t_a	-20 ... +40 °C
Type of protection	IP64
Max. switching capacity / Max. current	72W / 3A
Max. number of switching cycles	2000
EMC compatibility	yes

ORDERING DATA

Art. Nr.	Type
89601668	LED COLOR SWITCH, 24V, 72W, 3A

Packaging unit: 1 pc.

NATURAL MEAT

Reduced foodstuff wastage

Reduced graying increases the shelf life of packaged and unpackaged cold cuts and other meat products and allows them to be sold off the shelf for longer.

FRAUNHOFER LEBERKÄSE

>60% shelf life*

INTERNAL TESTING OF SPECIAL SAUSAGE

>100% shelf life*

*Time to same graying at same illuminance with Natural Meat vs. standard 4000/4200K
